

# Caged Cucky Dong Jacker Script

by Champ ([ChampTehOtter.com](http://ChampTehOtter.com))

## Description

You can't use that useless pee-pee anymore because the grown-ups took that away. But don't worry, you can take that big sloppy fat dong you have strapped outside of your cage and diaper and jack it off to your heart's content! Have fun pretending to be big, cucky! - Idea from Bottlebear

## Intro

Hey there, diapercuck... welcome back... you're listening to another erotic hypno file by champ... are you ready to accept the consequences?

This file is for all you silly diapercucks out there. It includes descriptions of adulty things, so be warned. But if you're listening to my words, then you or someone you know must want you to go through this special training, so you're going to be a good diapercuck and listen and follow along, aren't you? Yes, you are.

Before we begin, please make sure you are in a safe place, where you can relax and listen to my words uninterrupted. A reclining position is best where you cannot roll or fall over. Once you are situated, turn off any cell phones, lights, or anything else that may distract you as you listen to my words.

The following supplies will help you get the most out of this experience: A Diaper, a Chastity Cage, a Dong, and Lube. Optional: An anal toy to wear as you play. It can help to put these items on before continuing. If you need time to prepare yourself to listen to my words uninterrupted, please pause the tape and do so now. I'll be here when you return. Are you ready to be hypnotized? Good.

## Induction

I'd like you to close your eyes and Imagine... Imagine yourself... You're in chastity... You've been locked weeks now, in fact... and you're so pent up... you know how that feels, Don't you? Yes... so pent up... focusing on that feeling now... focusing on your need to release... so intense... so frustrating... knowing that your little pee pee is off limits, and beyond your reach... poor little cucky...

But I have some good news. Today is the day you'll get to finally play with your dong as much as you like... Well, not the one that's permanently tucked away in a cage or a diaper... No, the dong that your keyholder gave you to play with.

That's right... you can play with your fake dong as much as you like... you can frick your masturbator with it... or use your hand... and if you're good and follow along... you might just squirt through that cage and have a phantom ruined orgasm... Imagine how good that feels... knowing that that's the closest thing you'll get to having cummies like a regular grownup. Yeah, this is how little diapercucks like you do it, and it feels good, doesn't it? Yes, it does...

And you can imagine... going deeply into trance... with each stroke... deeper and deeper... as you focus on my voice.... That's right... going into a nice deep trance... as you stroke... deeper and deeper... focusing on that feeling... relaxing now... releasing the last vestiges of conscious thought... dropping into trance...

## Body

You can't use that useless little pee-pee anymore, but you can sure jack that big sloppy fat dong you have strapped outside of your cage or diaper! And if you're extra good, you'll sit on a nice big toy while you're at it. That's right. You're going to take a big toy up your bum and put on a strap on with a big drippy dildo on... Even if you don't do it this time, you know you will eventually, diapercuck. It's just what diapercucks do. [Don't even think about using that pathetic pee pee. You lost that privilege for good. Your dicklet belongs in a cage. But you're a good diapercuck, aren't you? You get other rewards, like playing with your fake dong, or playing with someone else's dong instead. Good diapercuck.]

You love wearing a strap-on over your diaper... You look forward to putting one on. So much better than your real one, that broken little thing. The dong is much better than that useless pee pee. Hard whenever you need it to be. And much bigger and more satisfying for everyone. You love jacking your fat dong while your little bitty winky drools into your diaper... [You're such a diapercuck... you love to be caged and padded, don't you? Yeah, you love it. You love playing with your strap-on... you never had a cock that big or one that stayed that hard. Face it, your little useless pee pee is broken and will never be as functional as the one you're wearing now. It's better that it's locked up.]

That's the most a caged diaper baby like you can hope for now... that's right... your tiny little pee pee isn't even worth any attention... and why should it be when you've

got a shiny new dong right there? [Diapercucks don't get unlocked. Diapercucks don't get to use their pee pees. Diapercucks get to use other peepees. Diapercucks get to pleasure other pee pees. Diapercucks don't get real orgasms. Diapercucks get ruined orgasms in their cock cages and diapers. Good diapercuck. Good diapercuck.]

Whenever you wear a strap-on dildo... you feel so horny... Whenever you wear a strap-on dildo... you find yourself playing with it... Whenever you wear a strap-on dildo... You even find yourself stroking it absentmindedly when not in use... Whenever you wear a strap-on dildo... you feel so horny... [x5]

Grab a hold of your dong now... allow yourself to feel that phantom sensation of your hand on your fat dong... feeling so good... focus on that feeling now as you stroke... allowing it to grow... allowing it to feel so good... [Grab a hold diapercuck. Feel that fat dong, bigger and harder than anything you ever had. Stroke it now. Humiliate yourself. Go ahead, babydick.]

Go ahead and stroke it now... pump your big sloppy fat cock... pump it... pump until you squirt... pump until you have the ruined orgasm you deserve... go on diapercuck... Allow yourself to believe that you can have a nice rewarding orgasm... as you jack that cock... yes... keep stroking... [Go ahead. Stroke that fat sloppy cock. Pump it. Do it now. You can do it. Earn the ruined orgasm you deserve. Allow yourself to believe as you jack that fat cock... good diapercuck]

Focus on your big new penis, forget about the old tiny one locked safely away in your diapers.... keep stroking... allowing yourself to get closer and closer to that ruined orgasm you deserve.... [x3][Forget about your tiny broken pee pee. Focus on the big dick in front of you. That's it. Keep it up. ]

So close now... Think about how you'll never have this with your real pee pee... this is reserved for big boys, and you're just PRETENDING to be a big boy... that's right... getting closer and closer now... keep stroking... that's the way... that tiny dicklet can't take much more, can it?? You're probably already spent, diapercuck... go on, then... squirt from that caged little dicklet like a good little diapercuck... [Hehehe. Such a diapercuck. Look at you jacking that big fake dong like the pathetic diapercuck you are. You're not a big boy. You're just a locked diapercuck stroking yourself to a ruined orgasm. You've got such a hair trigger you're probably going to cream your pamps any second, aren't you, diapercuck?]

Overlap the following sections:

Just focus on the pleasurable feelings that you get from jacking that fat sloppy dong. Focus deeply on those phantom feelings. Playing with your fake penis is making

you feel so good, so excited and horny, that you just can't help but thrust your hips a little bit in response. You might find that feeling of sexual pleasure start to build, and as it does, you may begin to thrust more and more, letting out little sounds of pleasure as you begin to get off. You can feel that feeling of sexual pleasure build more and more. Stronger and stronger. Stimulating you and making you even more horny.

That's it. Keep jacking. You feel so good, so horny. You need to get off as soon as possible. You need to cum in your pathetic cock cage and diaper as you think about all the diapers that you will wear and get off in for the rest of your life. Think about how much of a diapercuck you've become. Think about the fact that you are permanently caged and diapered, and you are never going to stop wearing them as you milk that huge fake cock, bringing you closer and closer to climax.

That feeling is building now. That's it, keep going, you're almost there. Keep jacking that fake cock like a good diapercuck. Closer and closer, more and more horny, closer to having the most spectacular orgasm in your little nub holder. Knowing that this is the closest thing you'll ever get to sex ever again. That's it, feeling the orgasm coming now until you are reaching the point of no return.

There's no way to stop it. No going back now, that orgasm is fast approaching, closer and closer, more and more intense, and you can't stop. Can't stop it, as it gets closer, and closer. That intense feeling of sexual pleasure building and building, more intense than ever before.

You're doing it. You're getting off and it feels so good. So good as you finally reach the point of no return and you cum. Cum so hard through your cage and into your diaper. Feeling your little nub squirt again and again, dripping all your useless seed out like the diapercuck you are. You love the way it feels to do this. And you will spend the rest of the day thinking about how amazing it feels to jack your fat fake dong to orgasm and wanting to do it again.

## **End**

There we go. Such a good diapercuck you are. Wasn't that nice? That's really the best way for a diapercuck to cum. And you know that you can come back and do it as often as you like. All you need is a diaper, a cage, and a big sloppy strap on, and you can satisfy your craving whenever you want. And you will continue to listen to this file day after day and play with your fake dong again and again like the good diapercuck you are...

And now, it's time for me to go... and allow you to rest, or go about your day. And if you would like to listen again, that's okay. You can return again and again and listen as many times as you like until you have achieved the desired results.

On the count of five, you will awaken from your nice relaxing trance feeling alert and refreshed.

One...beginning to regain your normal awareness...

Two... becoming more aware of your body, lying in a relaxed position...

Three ...becoming more aware of your breathing, and where you are....

Four... feeling so, so good as you finally come back on...

Five. All the way back, refreshed, and alert remembering how it felt to be a good little dong jacking diapercuck.

I hope you enjoyed your time with me today. I know I did. And I hope you return to visit again soon. Goodbye now!
