

Daddy's Rules

Written by Champ (www.patreon.com/ChampTehOtter)

This is an audio version of my most popular post on Tumblr, called Daddy's rules. You may have seen a clean version of this floating around somewhere, but this is the original. I hope you enjoy your new rules, little one!

Note: This is not a hypno file, but it will be the basis for my *next* hypno file. Send me your feedback and let me know what you think, or what you'd like!
